Admissions

Requirements and Procedures

High School Students

Admission to Adrian College is selective. Each application is individually reviewed and evaluated on the merits of academic

credentials, personal character and potential to take full advantage of the opportunities offered by Adrian College.

The College evaluates the rigor of the applicant's curriculum, grades earned, ACT or SAT scores, class rank and leadership potential demonstrated by involvement in school, community or religious organizations.

Adrian College recommends a minimum of 15 units of academic coursework in English, mathematics, science, social science and foreign language.

Applicants are welcome to visit Adrian College and can make arrangements for a personal tour by calling the Office of Admissions at 800-877-2246. Students will be considered for admission when the office of admissions has received;

1. The application for admission. A completed application should be submitted between September 1 and March 15 of the senior year. Applications are available from the Office of Admissions. Students may apply online at www.adrian.edu.
2. The high school transcript or GED equivalency certificate. The applicant must request that the high school send an official transcript to the Office of Admissions. The high school transcript should include at least six semesters of work. Students who have not graduated from high school may qualify for admission by successfully completing the General Education Development Test.
3. ACT or SAT score reports. All first-time college students seeking full-time enrollment at Adrian must take the ACT or the SAT. Tests taken during the junior and seniors years of high school are acceptable.

Students who have earned credit for courses taken at an accredited college or university while concurrently enrolled in high school may have those credits accepted for transfer to Adrian College. The student must have earned a grade of 'C' or better in the course. Beginning September 1 each year, Adrian College, upon receipt of completed application, notifies applicants regarding their admission status.

Traditional students admitted to Adrian College on a full-time basis must submit a deposit to enroll for the next year.

Transfer Students

Students with previous experience at another college who are interested in transferring to Adrian College must be eligible to return immediately to the last attended college and must have an above-average cumulative GPA. Prospective transfer students must request an official transcript from each college attended to be sent directly to the Office of Admissions at Adrian College, in addition to submitting all regular application materials.

The quality of courses taken at another institution may be considered in the admission decision. Generally, credits earned in colleges and universities accredited by a regional accrediting agency will be accepted by Adrian College; however, no credit will transfer for any course with a grade below "C" (2.00).

Prospective transfer students should complete their applications no later than August 1st for the fall semester, or December 1st for spring. Once the application file is complete, Adrian will notify transfer students or their admission status and transfer of credits within three weeks.

Note: Transfer students who entered their previous college more than two years after graduating from high school, or who have not attended college for the past two years, will be considered nontraditional students at Adrian.

Former Adrian College Students

Students who have withdrawn from the College and at a later date wish to return should make formal application on a readmission form provided by the Registrar's Office.

Nontraditional Students

Students entering Adrian for the first time after having been out of high school for two years or more, or who are transferring to Adrian from another college which they entered more than two years after high school graduation or from which they have been absent for two years or more, are considered nontraditional students.

Nontraditional students will be considered for admission to Adrian when the Office of Admissions has received:

1. The application for admission. A completed application for admission must be on file prior to the beginning of the semester for which admission is desired.
2. Final high school transcript or GED equivalency certificate. The applicant must provide an official copy of the high school transcript or GED equivalency certificate.
3. Official college transcripts. If the applicant has had previous college course work, official college transcripts must be sent directly from the previous college(s) to the Office of Admissions.

Students may be asked to successfully complete the Nelson-Denny Reading Test as a condition of admission. Students may be asked to take the College's mathematics placement exam if deemed necessary.

In addition to providing the materials listed above, applicants may complete an interview which includes counseling and orientation. Candidates may schedule appointments by calling the Office of Admissions at 1-800-877-2246. The office is located in the Admissions House.

Adrian College offers instruction in English as a Second Language (ESL) at the intermediate and advanced levels to support students in their regular academic program. Enrollment in an ESL course may be required, depending on the student's language proficiency.

International student applicants will be notified of their admission status as soon as all required materials have been submitted to the College.

The Office of Multicultural Programs also serves international students in the areas of campus living and immigration matters during students' tenure at Adrian College. Academic services such as course selection, faculty advisors and English as a Second Language (ESL) are arranged through a coordinated effort of the Office of Academic Affairs and the Office of Multicultural Programs. Should a situation arise where an international student needs additional academic assistance, referrals are arranged through the Academic Affairs Office.

Special Students

An individual who is not a candidate for a degree but wishes to take college courses may be admitted as a special student and should follow the procedure outlined on the special non-degree application form provided by the Office of Admissions.

Guest Students

Students currently pursuing a degree at another college or university may enroll in courses at Adrian College. Guest students must meet all course prerequisites, must be in good standing at their home college or university, and must have the written approval of the home institution for the specific courses to be taken. A guest student applicant should submit the Michigan Uniform Undergraduate Guest Application to the Registrar's Office. No application fee is required.

Along with application materials obtained from the Office of Admissions, veterans must submit proof of honorable discharge (DD-214) from the armed forces. Veterans may schedule an interview with the Office of Admissions before completing the application process. Once enrolled, veterans will work closely with the Registrar's Office on matters relating to veterans' affairs.

Dual Enrollment for High School Students

High school students who wish to supplement and enrich their secondary school programs may apply for concurrent enrollment in regular 100 level courses on a space-available basis provided they meet the prerequisites. To participate in the program, a student should have completed the junior year in high school, have a 3.0 cumulative GPA in college preparatory courses and have the written approval of the high school principal or guidance counselor. To apply, students must submit the Jump Start program application and the official high school transcript to the Office of Admissions. No application fee is required. Enrollment is limited to one course per semester at a fee determined by the College. No refunds are made after the first week of classes.

The full-time tuition charge is intended to pay for 12-18 semester hours. Students granted permission to enroll for 19 semester hours will pay the regular full-time tuition rate plus the current part-time rate for one semester hour.

Graduation Fee

All graduating seniors are assessed a Graduation Fee, due one semester before their graduation date. The fee covers the cost of the student's diploma and other costs associated with the College's graduation activities.

Late Financial Registration Fee

Failure to sign and return the Student Account Contract in the July Statement of Account, regardless of the amount due, will result in a late fee.

Parking Fee

Students who choose to park on campus pay a yearly fee. Refer to the Student Handbook for details.

Special Course Fees

Some Adrian College courses such as Associate Teaching, Red Cross Life Saving, applied music classes, studio art courses and some other classes, require the payment of a special course fee. These fees vary from class to class and cover special materials or services associated with those individual courses. Refer to the semester schedule books for course fee details. Students taking individual studies (regular courses taught individually) are charged an additional fee.

Student Activity and Technology Fees

The Student Activity Fee helps defray the cost of many campus activities presented at no charge to students, including dances, movies, athletic events, lectures and special performances by visiting entertainers. Guest students, special students, and students enrolled in fewer than three semester hours are exempt from this fee. The Technology Fee helps defray the cost of technology updates.
