Religious Activities

The chaplain, the department of philosophy and religion, faculty, staff and students work together at Adrian in numerous curricular and extracurricular religious activities designed to help the campus and community develop sound Christian character. The Chaplain's Office seeks to offer programs, information and opportunities which nurture men and women in the experience and practice of personal and social holiness as defined by scripture and Christian theology.

The "Not for Sale" Anti-human trafficking organization, a chapel praise team, our gospel choir, and A.L.P.H.A. (African-American Leaders Promoting Higher Achievement) are vital contributors to student religious life.

Students who wish to register for Conscientious Objector status may do so through the Chaplain's Office.

The Religious Life Council serves as a forum where all religious groups on campus can come together to coordinate and discuss their activities and concerns. In this way it supports and promotes open communication and ecumenical dialogue on campus.

Church Participation

The churches of the City of Adrian are organized for worship and service. Students are welcome to attend all services and will find an atmosphere of genuine fellowship and many helpful contacts with pastors and members of the congregations.

Training for Church Leadership

The Christian church is essential to a society founded on Christian principles, and its effectiveness will always depend upon its leadership. Adrian College aims to help develop effective church leaders. Students planning careers in the ministry, Christian education, church music or mission service will find appropriate foundational courses to help them prepare for graduate training.

For those looking ahead to the ordained ministry, mission service or another church occupation, the College offers a selection of courses leading to these vocations. However, courses in philosophy and religion are open to all students, who are encouraged to elect as many as possible.

Our pre-seminary/pre-ministry student organization and other groups offer students an opportunity to develop leadership skills that will be useful in church or community work regardless of occupations.

The Ministry

For service in the ministry of any major denomination, a three-year graduate course at an approved theological seminary is required. The pre-seminary undergraduate program should include philosophy and religion. Pre-ministerial students might consider a major in philosophy or religion or in such fields as history, sociology, social work, English or psychology. This, however, is not a requirement.

Pre-seminary students can obtain catalogs and the requirements of many seminaries from the Chaplain's Office or from the chairperson of the department of philosophy and religion. United Methodist pre-ministerial students should maintain contact with their local church, district and conference boards of ministry, with special attention given to requirements and procedures dictated by the Boards of Ordained Ministry. Pre-ministerial students also should consider Christian vocational opportunities in such fields as chaplaincy, college teaching and Christian education. Students interested in various forms of ministry will want to join the "Major Cole" pre-seminary association.

- Albion College
- Alma College
- Calvin College

Athletic Facilities

Adrian has some of the finest athletic facilities in NCAA Division III. A majority of the facilities have been either newly constructed or renovated within the last five years. The crown jewel is the Multi-Sport Performance Stadium which houses the football, lacrosse and soccer teams. The stadium has 2,000 chair-back seats on the home sideline and the finest Pro Grass playing surface.

The baseball team plays at Nicolay Field on the northwest end of campus. Nicolay Field was built in 2008 and has 1,000 chair-back seats above the dugouts on either baseline for optimal viewing. The softball field was also renovated in 2008 to add a new press box, dugouts and permanent chair-back seating for 300.

The outdoor track complex hosted their first meet last spring to rave reviews from around Division III circles. The Craft Tennis Complex features 16 outdoor courts right along US-223 and the Multi-Sport Performance Stadium.

Arrington Ice Arena was completed in 2007 and houses all ice sports at Adrian. The arena has 540 chair-back seats and has seen crowds over 1,000 with standing-room along the glass. The arena has offices for coaches, an athletic training room and several locker rooms.

The basketball and volleyball teams play their home games at the Merillat Sport and Fitness Center Gymnasium. It was built in 1990 and also provides an auxiliary gym for indoor activities. The Merillat Center also has administrative and coaches offices as well as athletic training facilities, a weight room and wellness center for all students, faculty and staff.

Policy on College Athletics

Adrian's first concern is for the strength and integrity of the academic program. Beyond that, Adrian believes that there is a place for many extracurricular activities, including sound athletic programs. All facets of the college's co-curriculum, however, must be kept in proper balance and evaluated in terms of educational objectives. In athletics this means, among other considerations, wide participation by all students, both men and women, in many different sports and activities, both intercollegiate and intramural, and an appropriate emphasis on and provision for recreational sports and less formally organized play.

Our formula for competition will consist of including on our teams only student-athletes who combine an interest in academic scholarship with a keen desire and a proven ability for intercollegiate athletic competition with similar students at comparable institutions. Adrian shall provide such men and women with excellent coaches and adequate facilities on the basis of equality and without discrimination of any kind, including discrimination by individual sports, race, or gender.
