

## Student Affairs

---

Counseling Services provide short-term individual counseling, which focuses on current difficulties. It also offers support groups, presentations and workshops each semester. New programs are offered during the year in response to student requests or needs.

### Health Services

New students to the Adrian College campus are required to submit a Student Health & Medical History Record, Immunization History and a Mandatory Health Insurance Waiver Statement to the Health Center. Failure to supply this information may delay the registration process.

The Health Center is located in the Goldsmith Center between Dawson Auditorium and Rush Hall. The Health Center is open fall and spring semesters during the hours of 9 a.m. - 4 p.m. Monday through Friday. The Health Center is closed Saturday and Sunday. The Health Center is also closed during any holiday breaks that the residence halls are closed.

The Health Center is nurse-directed and consists of two registered nurses and an office coordinator. Services are available to ALL Adrian College students, including full-time, part-time and commuting students.

The Health Center provides:

- acute illness evaluation and treatment
- screening evaluations and disease prevention such as blood pressure checks, weight and vision
- first aid for minor injuries
- referrals and coordination of care to off-campus health care consultants
- over-the-counter medications, use and instructions
- health education on preventative health care and life-style issues including sexually transmitted infection education
- blood draws with appropriate order from physician
- follow-up of emergency hospital visits
- loan of crutches, wheelchairs and other medical equipment
- immunizations including; Tetanus, MMR, Hepatitis B series, Meningitis, and influenza vaccine (check with your insurance company—many vaccines are covered by insurance)
- TB skin tests (Mantoux)

When a student is seen in the Health Center, there is no cost for the nurse visit. There may be charges for medications, immunizations and treatment supplies. These charges may be paid for or charged to the student's account as a health service fee. Receipts for medications or immunizations can be requested by the student. The student is then responsible for submitting the request to their private medical insurance. Check with your insurance carrier regarding submission of these claims. The Health Center does not bill private insurance companies.

### Confidentiality

All Health Services records are confidential. Safeguarding students' medical information is not only a legal requirement, but also an important ethical obligation. No one will have access to health records without the written consent of the student, including their parents/guardians, if the student is of legal age (18 years or older). Information from a student's health record will not be disclosed except in cases of extreme urgency where there is an
