

Share a Bench!

... with the *Adrian College campus*

"Twenty years after our first talks on a bench by the chapel, we still visit the College and always look for 'our bench,' where we fondly revisit our special memories at Adrian."

Dave '85 & Mary Jo Gorski Koppenhofer '86

The perfect gift! The bench project brings beauty to the campus and enables you to leave a lasting memory of your spouse, a special friend or family member for years to come. Your gift will provide a place for students, faculty, staff, alumni, and visitors to share a bench and a memory!

The AC Bench Project: Benches may be purchased for \$1,000 each. Pledges may be paid over a two year period.* Each bench is made from high quality materials.
