Parent's Council 2010-2011

2009–2010 Parent Council presented Adrian College with a check for \$7,000.

Who We Are

Parent Council serves as an advisory board to the College administration by providing input and suggestions to Student Life. Each year, the parents of at least four first year students are selected to serve on the Council. They join the parents of approximately 20 other students. The council meets twice a year to discuss items of interest to both parents and the College.
