General Information for Transfer Students

Information regarding Adrian College transfer policies can be found in the **Academic Catalog under the Admissions section** or on the **Registrar's webpage**.

Students wishing to transfer credits will be held to the same admission, curriculum, and retention/probation standards outlined in the Academic Catalog. Transfer students are strongly encouraged to consult with the Athletic Training Program Director prior to enrollment.

* Students should be aware that **some coursework may not transfer or apply toward degree requirements**. Acceptance of transfer students into the Athletic Training Program is contingent upon **space availability and the student's performance relative to the stated admission criteria**.

Earned College Credit in High School or Middle College?

Your High School Courses May Give You a Head Start.

Some students arrive at Adrian College having already completed college-level coursework through **dual enrollment, concurrent enrollment, Career and Technical Education (CTE), or other approved programs**.

The Adrian College Athletic Training program has direct pathways for students to receive credit through:

Michigan Department of Education Articulated Credit
Eligible students completing approved Michigan CTE coursework may qualify for articulated college credit.

SWWC Exercise Science & Sports Medicine

Students completing eligible coursework through the **South & West Washtenaw Consortium (SWWC) Exercise Science & Sports Medicine program** may be able to apply designated coursework toward their Adrian College program.

Madison High School – Project Lead The Way (PLTW)

Eligible students completing designated **PLTW coursework at Madison High School** in Adrian, MI may receive college credit applicable toward their Adrian College studies. If you have completed a PLTW program elsewhere, you may still be eligible!

Not Sure What Counts?

Just Ask! We have many relationships with high schools and professional programs across the country. Contact Dr. Tina Claiborne at tclaiborne@adrian.edu or the Adrian College registrar's office (registrar@adrian.edu) with questions.

Ask Before You Take It!

If you are considering dual enrollment, CTE, transfer coursework, or another college-credit opportunity, **contact us before registering whenever possible**. We can help determine whether the course is likely to meet a requirement within your intended Athletic Training pathway.
