High School GPA: _____

*Please submit current academic transcript with application

FIRST Information

Year(s) of Participation: _____

Event Location(s): _____

FIRST Team Name: _____

Brief description of your role and contribution to the team: _____

Scholarship Criteria

To be considered for the Adrian College FIRST Robotics Scholarship, students must:

- Apply and be admitted to Adrian College as a full-time undergraduate student for the Fall 2025 semester.
- Achieve a cumulative high school GPA of 3.0 or higher.
- Have participated on a FIRST Robotics Competition team or a FIRST Tech Challenge team.

Renewal Criteria

The Adrian College FIRST Robotics Scholarship is renewable for up to eight total semesters of consecutive fall and spring enrollment at Adrian College. To be eligible to renew this scholarship the student must:

- Maintain good academic standing at the end of each academic year.
- Be enrolled in full time, undergraduate, degree seeking courses (12 -18 credit hours) at Adrian College each semester.

Student Acknowledgement

The Adrian College FIRST Robotics Scholarship has a maximum value of \$40,000 (\$10,000/year). If you are chosen as one of the recipients of this scholarship, the new award will replace any previously awarded academic departmental scholarship and may reduce or replace other institutional aid awards. Students may not receive institutional scholarships/grants that are in excess of tuition. Outside scholarships may affect Institutional or State grants and scholarships. Any additional scholarships or grants that a student qualifies for that are deemed tuition specific may result in a dollar-for-dollar reduction of the FIRST Robotics Scholarship.

Please email this completed PDF, a copy of your current academic transcript, and evidence of participation to jakedocking@adrian.edu for review. Please note that applications are due by May 1st, 2025 and decisions will be announced by May 15th, 2025.

I acknowledge these requirements for the Adrian College FIRST Robotics Scholarship.
