Adjunct Faculty – Computer Science

Adrian College – Adrian, Michigan
Department of Computer Science
Position Type: Part-Time / Adjunct Faculty
Location Requirement: Michigan or Ohio Residency

Position Description

The Department of Computer Science at Adrian College invites applications for part-time adjunct faculty positions to teach undergraduate courses in Computer Science.

We are seeking qualified and motivated individuals with strong academic backgrounds or relevant professional experience who can contribute to our undergraduate programs.

Candidates may be considered to teach one or more of the following courses, depending on their qualifications, expertise, and departmental needs:

- Operating Systems
- Algorithms Analysis and Design
- Database Design
- Programming II
- Linux Command Line and Shell Environments
- Network Security

Applicants are not expected to teach all the courses listed above. Candidates with expertise in any one or more of these areas are encouraged to apply.

Qualifications

Required Qualifications:

- A bachelor in Computer Science and a master's degree or higher in Computer Science, Software Engineering, Cybersecurity, or a closely related discipline.
- Demonstrated knowledge and proficiency in the subject area(s) the candidate wishes to teach.
- Strong communication and interpersonal skills.
- Ability to effectively teach and engage undergraduate students.
- **Applicants must maintain a residential address in Michigan or Ohio.**

Preferred Qualifications:

- A bachelor in Computer Science and a Ph.D. in Computer Science, Software Engineering, Cybersecurity.
- Previous college or university teaching experience.
- Relevant professional or industry experience in the subject area(s).

- Experience using learning management systems such as Canvas.

Responsibilities

- Deliver undergraduate course lectures.
- Assess assignments, projects, quizzes, and examinations.
- Evaluate student performance and provide timely feedback.
- Maintain regular communication with students.
- Follow departmental and institutional academic policies.

Application Process

Interested candidates should submit:

1. A current curriculum vitae (CV) or résumé.
2. A brief statement identifying the course(s) they are qualified and interested in teaching.
3. Copies of academic transcripts (unofficial copies are acceptable for initial consideration).

Applications will be reviewed as received until the positions are filled.

Application Submission:

Applicants should combine all required application documents into a single PDF file and email it to cs@adrian.edu with the subject line “CS Adjunct Application S27”.
